Subject: Bills 5711, 5712, & 5713

This is absolute madness!! I can't believe these bills are even being presented!! This is the most anti-women and anti-civil liberties legislation in recent memory. DO NOT support this legislation or any other legislation that infringes on a woman's right to make decisions about her own body. This is archaic rhetoric not worthy of a democratic society. Furthermore, these bills are based on religious beliefs that have no place in the political arena. This is a total violation of the separation of church and state.

The House of primarily male legislators think they can make these decisions for women?! I hope they think carefully, because WOMEN VOTE. And we don't vote for men who don't support us and our right to control our own bodies.

Sincerely,
Mary Kenyon
